STAT [REDACTED]

Our guidance on the handling of classified materials for the consultants who are doing the Commerce study on the Soviet economy is that our research materials and the consultants' notes will be

STAT [REDACTED]

One of the consultants is a colonel at the US Army Military Academy. He points out that the academy is authorized to receive and retain classified materials. He would like to receive these materials [REDACTED]

STAT [REDACTED]

STAT [REDACTED]

Will you determine whether we want to make an exception and send our material on loan to West Point? Material is mostly secret, some ORCON, no compartmented items. [REDACTED]
